

Andrew McCarthy
Founder & Managing Director
Gippsland Solar

Andrew McCarthy (Andy) is the Founder and Managing Director of Gippsland Solar, and has 18 years of experience in the renewable energy industry. After founding Gippsland Solar in 2010, he has grown the business to be one of the largest providers in Victoria. Gippsland Solar and their associated companies now employ 38 full-time staff (plus subcontractors), with Andy planning to continue reinvesting to grow the business and employ more staff in the Gippsland region and beyond.

Andy is a passionate advocate for renewable energy and storage, and the increasing role that renewables will play in shaping the current and future energy grid.
